Hi, Melissa. I am with the Secretary in Utah at the moment and then off to trip with the Secretary and Vice President Pence at the end of the week...so, am pretty swamped. If you will follow up with me next week, I will try to connect you with the head of our Legislative Affairs Office who would probably be a better fit for this.

Thank Rusty. Yes, we are working with the Murkowski office on the logistics and details of the Codel. Statoil would just like to come in and meet you prior to the trip so you aren't getting your first contact on May 26th. Thanks!

Hey, Melissa (and Mike...and thanks for the shout out and compliment...I will send you money shortly).

Because the trip you reference is a CODEL, we aren't the ones spearheading or planning the trip...mainly just participating. I believe Senator Murkowski's staff has the lead on this. So, not sure how much help I can offer.

Thanks Mike! I appreciate the introduction and Rusty be sure to keep this email where McKenna complimented you.

Are you around next week or the beginning of the following week for me to give you a bit of background on Statoil, our US operations and investment, and the operations you are planning on seeing in Norway?

Best  
Melissa

Rusty –

Melissa is the czarina of government affairs for Statoil here in DC, and I think she is in the middle of the trip that your boss is taking to Norway. I told her that you probably knew all about that.

Melissa, Rusty is the best dude I know. full stop.
